PennTex Limited Warranty and Procedures

PennTex will assist the end user with Technical Help toll free (1-877-590-7366) when a problem arises. Information is also available at www.penntexusa.com/tests. If it is determined that a PennTex part has failed during the warranty period, the end user will fill out a PennTex Warranty Claim Form and fax it to 1-817-590-0398. PennTex will replace the warrantied part by UPS shipment (Ground). PennTex will assist the end user with a labor allowance indicated on the applicable PennTex Charging System Test form.

Note: All OEM and Aftermarket installations of new PennTex products sold or used outside of the continental United States of America, Canada, and Hawaii, including military use applications, have no warranty expressed or implied unless otherwise specified.
